BED AND BREAKFAST

Come and relax in the country while you watch the sunset or wake with the sunrise. Stroll along the creek on our 5 acres of rural farmland, or sit on our porch swing and watch the Amish buggies roll past. Our carriage house features two rooms with private bathrooms and antique décor. Only 2 miles from Kalona, the quilt capitol of Iowa. The community is home to the Kalona Historical Village, a prestigious quilt museum, and quaint shops full of antiques and crafts. This romantic setting is perfect for honeymooners, a weekend getaway, family reunions, or antique lovers on the prowl for the next treasure.
